

Health & Safety Level 2

The HSE estimates that workplace injuries cost the UK economy over £15 billion per year. Official figures estimate the cost to business at £3.2 billion with individuals losing approximately £8.6 billion. Effective training can reduce the potential risk of harm occurring in the workplace, and save you money!

The Course

An ideal introduction to health and safety for anyone working in a low to medium risk environment. Although it does not provide a qualification itself, it does provide the knowledge and understanding required to go on to achieve a level 2 health and safety qualification. The nine modules of this course covers the key content and knowledge required to go on to achieve a recognised level 2 health and safety qualification. To achieve a regulated qualification the learner must sit an assessment with a recognised training provider.

Areas Covered

- Accidents including slips, trips and falls
- Legal responsibilities
- Risk assessment
- Hazardous substances (COSHH)
- Workplace health, safety and welfare
- Work equipment
- Fire
- First aid
- Manual handling

Who Is It Aimed At?

Ideal for employee inductions or for anyone wishing to go on to achieve a level 2 health and safety qualification.

The course can also be used as part of the on-programme element of the new apprenticeship standards, supporting the knowledge, skills and behaviours apprentices need to effectively integrate into the workplace. No prior knowledge needed.

Typical Duration

2 - 3 hours.

How It Works

Our e-learning is available to use on multiple platforms such as tablets, PCs and laptops. All you need is an internet connection. Learners simply log on to the Highfield Learner Management System (LMS) and work their way through the course, along with the scenarios that provide them with real-life context.

Learners are assessed at the end of the course by multiple-choice questions.

Certification

Learners will receive a Highfield e-learning completion certificate, which is downloadable upon successfully finishing the course.

Accreditation

This e-learning course is a Highfield Qualifications accredited programme.
